

Dear Families,

2019 has been a busy and sometimes challenging year for our wonderful school Priests. In addition to their parish duties they have made a positive impact on our school, spending gracious amounts of time in the classrooms connecting with the students and guiding them in their spiritual and sacramental journeys.

The Missionaries of God's Love are an order of Catholic priests who make a choice to live simply and are dedicated to giving. This sacrificial way of life can mean that these wonderful men often rely on the generosity of others for life's luxuries.

With this in mind, a collection is happening through the front office, to go towards a voucher of a newspaper subscription and Christmas hamper, which will be quietly gifted to the Priests on behalf of the St Benedict's School Community. If you have any capacity at this time of year to offer a donation to this gift you can do so until 13 December.

Please contact us directly on the below email if you have any questions.

Many thanks

Belinda & John Daunt
