

Dear Netball Families,

Welcome to the 2020 winter season!

Additional to our netball dress this year we will be adding optional netball hoodies for our netball club members (players, officials and families) at a reasonable cost of just \$60 per piece. These hoodies are a result of much feedback and requests for a warmer option over the winter months, they are in no way compulsory and the school sports jacket is still able to be worn under the dress during matches for those who do not wish to purchase.

If you would like a hoodie please measure up your child based the chart below to get a correct size, noting there are youth sizes and ladies.

Below is a size chart for anyone who also needs to order a new dress. We have a small supply of sizes available to try on, please contact Belinda Daunt to organize a time if you wish to have a look at these.

Kids(cm)	4Y	6Y	8Y	10Y	12Y	14Y	16Y
A	62.5	65.5	68.5	70.5	74	77	80
B	32	33	34	35	36.5	39	41.5
Ladies(cm)	8	10	12	14	16	18	20
A	76	78	80	82	84	86	88
B	38.5	39	41.5	44	46.5	49	51.5

Once you have done this, please make payment and return the below slip to the front office before Friday, 29 February 2020.

The order of all items will be placed on Monday, 02 March, to ensure we have them before the start of the season, so late orders unfortunately cannot be accepted.

Many thanks
Belinda and Rachel
