

## WINTER NETBALL 2020 ST BENEDICTS NETBALL CLUB

After a successful winter season last year the St Benedict's Netball Club is looking to enter teams into the SCNA 2020 Competition. This season starts on the 2<sup>nd</sup> of May, but as the Junior teams will have a grading carnival in March this year we need to have registrations finalised before the then. The cost for the entire season will be between \$190-\$230 per player depending on age (this includes all player fees, finals, and umpire charges).

The spirit of this competition is "have fun with old and new friends". SCNA does not run competitive competitions until grade 5/6 so the younger players can focus on developing a love for the sport and learning the basic skills. We will begin running training afternoons before the season starts so that new players can have a basic understanding of the game before taking the courts.

We are also looking for any parents who would be interested in coaching a team. This is a fun role and well supported by the other coaches and our wonderful club president (Rachel Smith!) who joins training days most weeks and attends game days. If you are interested in this role or would like to further discuss this please indicate so below.

Please return the below form to the front office before Friday, 28 February. Please direct any questions to Rachel Smith or Belinda Daunt (jd\_bel@yahoo.com.au).

### REGISTRATION

REGISTRATION DUE DATE IS **FRIDAY, 28 FEBRUARY**.

Please return the attached Expression of Interest form NOW so that I can send you the registration portal links.

If you think you will have any difficulties with registration please come and see Rachel Smith as soon as possible and we can help you with all matters. This season the association will not be allowing any unregistered players to take the court so if you plan to apply for a sports grant, need a payment plan or have any other questions please touch base as soon as possible.

Grades 2/3 - \$190

Grade 4 - \$210 (this covers match umpires)

Grades 5/6 - \$240 (this covers match umpires and finals series)

### TRAINING

More information to follow after coaches have been allocated to teams, but it will be likely that training days will be on Monday and Tuesday this year as we are looking to separate juniors from NSG to allow for maximum time training on the court for all.

### UNIFORMS

An order form will be coming home soon for anyone needing a new uniform, including our inaugural training jumper. Please return this as soon as you can. The faster we get the order into the manufacturer the more chance we have of starting the season in our new outfits!

## **COACHES**

As per our 2019 season our club will be supported by our wonderful principal, Rachel, assisting coaches and stepping in at training and games when possible.

Grade 3 – Sonia Domitrak

Grade 4 – Belinda Daunt

Grade 5 – Vacant

Grade 6 - Vacant

Teams can't take the court without someone willing to take on the role as registered coach, as you can see there are some vacancies, please consider if you would be able to assist. If you need any help in your coaching role (in any capacity) Rachel or Belinda will be available for support. You will also be encouraged to speak with your team families early in the season to delegate a team manager.

## **PARENT SUPPORT**

Throughout the season all parents may be asked to assist your child's team in roles such as supplying team oranges, scoring games or supporting in a coaches absence. Your cooperation in these minor roles are greatly appreciated and help build team spirit.
