Welcome back to Term 4!

WHAT'S BEEN HAPPENING

We've wrapped up an amazing Spring Vacation Care program filled with excitement and adventure! Each day brought a new experience — from exploring the National Zoo and Aquarium, discovering the miniature wonders at Cockington Green Gardens, and enjoying Bad Guys 2 at the movies, to testing our putting skills and meeting friendly animals at the Yarralumla Play Station.

Our in-centre days were just as vibrant, featuring live music performances, guided drawing and painting sessions, cultural workshops, football challenges, and a colourful end-of-holidays colour run! A huge thank you to all the families who joined us, we had an incredible time!

As we step into Term 4, our After School Care clubs are off to a great start! Week 1 saw children voting for their favourite clubs, and Week 2 was full of brainstorming and sharing ideas to shape our upcoming activities. Club sessions officially begin in Week 3. Keep an eye on our reflection journal and the sign-in table whiteboard for photos and updates throughout the term!
